

Job Description

We are looking to expand our team of photographers that exemplify our brand.

Has anyone ever told you that you would make an amazing photographer? Do you love working with children and families? At Life365Portraits, we know every parent's desire is to build a strong family. But they are all dealing with busy schedules and hectic lives, struggling to find the time and energy.

We have spent over 70 years helping build strong families – one portrait at a time! Our mission is to preserve life's most important moments, using our professionally trained photographers in the convenience of your own home.

Life365 Portraits is currently seeking a hard-working, energetic person with experience in studio portraiture or a freelance background. A photographer that understands the value of creating memories for each child and family

The photoshoots are about one hour long, shot indoors and outdoors using both natural light, and studio lighting. Schedules are flexible so you can build your availability around your other commitments.

Photographers must be able to photograph all types of portraiture. Once you join the team, training, feedback, and development are ongoing – we want to encourage and support your growth!

Requirements

- You get to be your own boss! But you must be available to be scheduled up to 16 photoshoots per week (operations are Tuesday through Sunday, 9:00 a.m. through 5:00 p.m. so you can help create your own schedule).
- You must own your own professional-grade DSLR camera with a minimum 12 megapixel.
- You must own a studio-grade two light flash system (portable).
- It is strongly preferred that you own the following lenses: 24-70mm f:2.8, or 35mm; however, a 50mm may be acceptable depending on the amount of variety you can capture with those lenses.
- We will provide some equipment to assist in capturing our style of photography along with your ability to incorporate your own unique styles as well.
- We will provide initial training.

- You will need a valid in state Drivers License, and be willing to undergo a background check.
- You must provide your own reliable transportation with current registration and insurance.
- A solid portfolio of work in family photography is required to be considered.
- You will be shooting portraits that are both lifestyle and studio style. We use natural light as well as flash photography.
- You must possess a basic understanding on how to pose families, children, couples, groups, pets, newborns etc.
- You must follow all safety and precautionary policies of Life365 Portraits.
- You must respond to emails and texts in a timely manner and understand the importance of managing the expectations of our team and clients by communicating effectively.
- You must have access to a computer with high-speed internet (cable or fiber optic for image upload)
- You must have access to a Cell Phone with data plan
- Your ability to provide direction and make clients comfortable are key to providing a great experience.
- You must be friendly, patient, a great listener, and also be able to provide clear, consistent direction to all different client personalities.
